Apr 26, 2018 Where I can download Windows 10 64-bit? Jun 30, 2012 xxx I ran Autodesk 2013 64 bit Gold on Windows 7 32 bit and it has been very buggy. No way to define views as offscreen yet this year. I had to downgrade. Both 32 bit and 64 bit used the same license file. Jul 17, 2014 Update CAD 2013. (64 bit) While the installer asks me to choose a license type, I only have a "General Release" one. How can I. Jul 9, 2012 Just wondering if I have correctly placed the add-in's. I have the 32-bit, not 64-bit, so I didn't have any problem. Sep 4, 2019 Following are the steps I have done to install the software on the server running Windows Server 2019. I followed all instructions, and the installation went smoothly. Dec 9, 2017 I am trying to install AutoCAD 2013 on a machine with 64bit Windows 7. I have purchased the CAD 2013 version with MSDN license, and the 64bit installer crashes when it comes to the double click on the license file. I have tried both reising and activating the license, and it doesn't work. Nov 29, 2014 I have previously down-loaded AutoCAD 2013 on Windows 7 32bit. Is it possible to use the same product key in 64bit windows as previous install? or have to get a new one? May 22, 2014 Then try validating after the upgrade. See if you can create a new profile? Good luck Aug 5, 2014 On Windows 7 64bit, a coworker gets the following error when trying to run a live VBA macro when trying to execute any command from the Ribbon. Can you verify how you install AutoCAD Apr 23, 2014 In my case, I don't know if it was a bug or not. I was able to install and activate the 64 bit version of AutoCAD 2013 with a permanent license. But the installation took 50-60. Nov 22, 2014 Well, I could not find the patch for 2010 and 2012. But I did find one for 2013 and uploaded it to us for testing. May 16, 2015 I followed the same steps as you and it worked
